## **Fulham Mews House**

**Location** London SW6

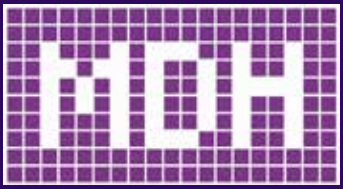

### **Project Description**

This project involved the following; Refurbishment and extension of the Basement. New Build Rear Extension to form a Mews House. Ground Floor Commercial Unit Fit-out. Refurbishment of 1st Floor Flat & Communal Areas. Refurbishment of the 2nd Floor Flat & Rooftop, Staircase Enclosure. This project has been has won the South London region vote in the RIBA awards and is now in the running for a [RIBA 2021 London Region award](#).

### **Client testimonial**

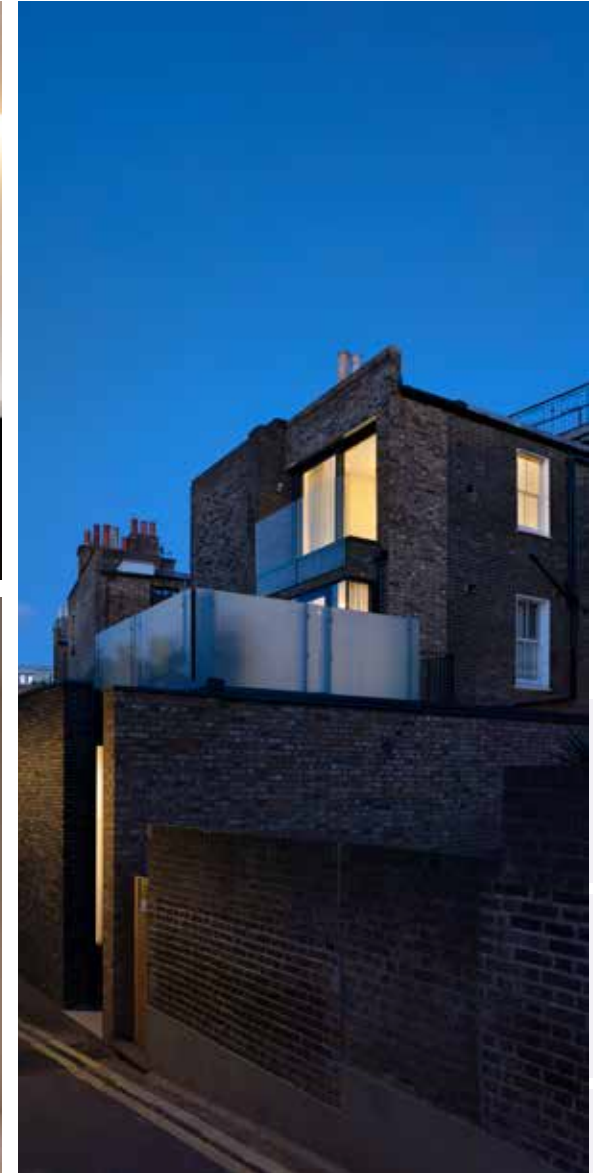

*“Donal & Martin of MDH have now undertaken three major projects for me, the last being a new-build in a difficult, enclosed site in West London. In the years I have worked with them they have always been highly competent, well organised, responsive and transparent in all their dealings. They always go the extra mile and are a pleasure to work with.”*
