House Re-Construction & Basement Extension

Location; Clapham SW4

This was a basement extension and a re-construction and refurbishment of the house including internal demolition, mechanical, electrical, furniture fit-out and decoration.

Client

"I am happy to recommend MDH Developments Ltd. who did a major house re-construction for me in 2016.

Their work ethic, honesty & technical skill is beyond reproach. They listen to the client, and if something isn't right, THEY RETURN TO PUT IT RIGHT. This is extremely rare & deeply appreciated. They are courteous, punctual & take a pride in their work. I would have NO hesitation in using them again".
