Bindon Street, Ennis, Co. Clare

SERVICES ENGINEER: Procad Engineering, Portal
House, Raheen Business Park, Raheen, Limerick

QUANTITY SURVEYOR: John Cuddy & Partners, 11
Mallow Street, Limerick

"I would have no hesitation in recommending MDH Construction for this type of work in the future and wish them every success. I would hope that our paths will cross again as they operated throughout this project in a very professional manner and were an integral part of a dedicated design team which included OPW architects and building inspectors, Health and Safety officers and an exceptionally skilled group of technical support consultants"
