*“MDH Construction have completed a number of works contracts on behalf of the Dublin Airport Authority over an extensive period of time. They have always been thorough and diligent regarding fulfilling the contractual requirements for any of the projects they have been involved in. Their work ethic has also been bourn out through the professionalism of their management team, Donal and Martin. This has been demonstrated through their positive engagement with our individual Business Unit clients and maintaining a flexible arrangement by understanding the requirements of the airports airside policies and procedures”.*
