## **Wandsworth House**

**Location:** London SW18

This was a complete refurbishment of a four storey house over basement including internal demolition, refurbishment and turnkey bespoke fit-out.

### **CLIENT:**

*“MDH recently completed a complete refurbishment of our house in south west London and we cannot recommend them highly enough. The work was carried out to a truly excellent standard, on time and within budget.*

*The principals were always available by phone and email to deal with any questions that arose and we have continued to use them on an ad hoc basis”.*

### **ARCHITECT:**

*“I would like to thank you both for a fantastic project. Our clients are as thrilled with it as I am. The finish that you achieved is excellent and the ordering impeccable to achieve a tight programme on time and to the agreed contract.*

*It has been a great pleasure working with you and your team. I very much look forward to working on another project together”.*
